

Hello Bouldin,

The Lucero apartments are hosting a beautification day in August. Details are below.
Kate on Newton

The Community Tenant Association is throwing our very first Beautification Day. This event will be held on Saturday, August 11th, 2018, from 10am to 2pm, at Lucero Apartments. The address is 2301 Durwood Street, Austin, Texas 78704

The CTA is partnering with Dominum Management (current management company) and Portfolio Services (Social Service Coordinator), and together we are hosting this event.

Beautification day is a collaborative community event. This event will give residents access to schools their children will attend for the 2018 – 2019, churches they are members of, non-profit organizations that serve under privilege communities, and businesses that our residents shop at regularly.

We are imagining that residents will receive;

- Free school supplies,
- registered for the school year,
- access to different health care options,
- registered to vote,
- a free goodie bag full of cleaning supplies,
- a light snack,
- and entertainment for our children.

We could really use your help!

We need 2 volunteers to help with setup at 9am,

We need 2 volunteers to help with sign in sheets and our bingo game 10am to 12pm

We need 3 volunteers for clean up 2:00 pm.

Also, if there is an organization you are representing, please let me know. We are offering free tabling from 10:00 am to 12:00 pm. Ideally, the table could provide resources that residents would be able to use.

We are anticipating 200 people and right now we have about 5 volunteers; we could really use your support!
